top male and female player in collegiate lacrosse. Corp is the first Colgate player to earn the honor in the program's history.

The players on the Tewaaraton Watch List were nominated by coaches across all three divisions and are early season hopefuls for the 2009 Tewaaraton Trophy sponsored by Warrior. The Tewaaraton Award Foundation, in conjunction with The University Club of Washington, D.C., formally established the "Tewaaraton Trophy" on August 29, 2000. Today, the Tewaaraton Trophy is recognized as the pre-eminent lacrosse award honoring the top female and male varsity collegiate lacrosse player in the United States.

Corp has collected numerous honors over his three full seasons of action with the Raiders. As a junior he earned third team All-American honors and was selected by the league's coaches as the Patriot League Offensive Player of the Year. Corp led all Patriot League players with 56 points off of 41 goals and 15 assists in 2008. He is a three-time all-Patriot League selection, earning first-team recognition last two seasons and second-team honors as a rookie.

CORP SELECTED TO TRYOUT FOR THE 2010 U.S. LACROSSE TEAM

Senior **Brandon Corp** was recently selected to tryout for the 2010 U.S. men's lacrosse team that will compete in the Federation of International Lacrosse (FIL) World Championship in Manchester, England from July 10-24, 2010. The tryouts will be held from June 7-10, 2009 at Bryant University in Smithfield, R.I.

Nearly 200 players submitted applications to be considered for the tryouts and the pool was narrowed to 84 by the U.S. Men's Team Player Selection Committee. Corp is one of 13 current collegiate players that have been invited to the tryouts.

Following the tryout weekend, the group will be trimmed to approximately 40 players that will compete in three training weekends during the fall of 2009. After those three weekends, the roster will be cut to the FIL-mandated size of 23 players.

The 2010 world championship will be the first men's championship conducted by the newly-formed FIL, which is a result of the merger of the International Federation of Women's Lacrosse Associations and the International Lacrosse Federation.

The U.S. has won seven of the nine world titles held since 1974, failing to win gold only in 1978 and 2006. The 2010 U.S. team will be coached by Mike Pressler, the head coach at Bryant University.
